

Amendments to the Specification:

At p. 1, line 1, please delete the existing cross-reference to related application in favor of the following amended paragraph

The present application is a continuation of 08/397,411 (now US 6,129,914), filed March 1, 1995, the disclosure of which is incorporated by reference. ~~This~~ The present application is also related to a continuation-in-part of USSN 07/859,583 (now abandoned) filed 3/27/92, which is incorporated by reference in its entirety for all purposes.

Please replace the sequence listing for the instant application with the paper copy of the fifth substitute sequence listing, attached herewith in the Appendix, to the end of the application.
